DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

It was noted that the IDS filed 30 October 2007 did not contain a publication date for the NELSON reference (page 3). A date is required by MPEP 609. An internet search revealed that the article was published by Dr. Dobb's Journal on 1 January 2002 (source: <http://www.ddj.com/architect/184416391>). Attached is a corrected 1449 form containing the date.
